

SMITH-PAUL ENDOWMENT

Appalachian State University

A grant program in honor of the outstanding accomplishments of Jimmy Smith and Bill Paul in mathematics education.

Professional Development awards to enhance mathematics instruction are available from the Smith/Paul Endowment. Grants are made to financially support North Carolina mathematics teachers who are in their first five years of teaching. Grants may range to a maximum of \$1,000.

- Applicants must be currently employed as a teacher in North Carolina in their first five years of teaching.
- Applicants will work in consultation with an Appalachian Mathematical Sciences faculty member.
- Applications will be reviewed annually with a deadline of April 1.

Send completed applications or direct inquiries to:

Dr. William C. Bauldry
Dep't. of Mathematical Sciences
